

Report of the Clerk

1. **Appointment of a new cleaner.**
2. **Royal British Legion:** After a recent discussion with Mike Sutcliff regarding the dedication of the new standard the Clerk suggested that Barrowford may be the ideal place to hold the event with the service at St. Thomas Church. The British Legion have decided to hold the event on Saturday 23rd February 2008 at St. Thomas with a parade with a Salute possibly at Holmefield House and refreshments at the Civic Hall. The British Legion have asked for help with organising and funding this event.
3. **Barrowford Show:** This year the Clerk produced the advance sales tickets the show programmes and the Children's entries and photocopied minutes and agendas for meetings to save the Show money. The Show still has printing costs of £1000 and wondered if the Parish Council as part of its donation to the Show could help produce these print items. The Clerk has had a brief glance at the work and feels that after setting up the work on the computer it could be done in future years at a fraction of the cost.
4. **Plants for Planters:** The plants have arrived and planting will begin this weekend.
