

Agenda Item 16

Report of the Clerk

- 1. Noise Nuisance at Lower Parkhill:** The Clerk has received a telephone message from Ms. P. Foley at Environmental Health saying that despite the Councils actions the noise nuisance persists. She has requested a list of poultry keeper's addresses to write to.
- 2. Councillors Workshop:** The Clerk has now booked the LAPTC/SLCC to hold a two hour workshop on the 26th September 2007 starting at 7pm at the Council offices for all Councillors.
- 3. Grants to Town & Parish Councils:** At the July meeting of the Executive it was decided to hold a meeting to discuss the Parish Councils grant application further. Three weeks later Barrowford is still waiting for a meeting to be arranged with the Executive of Pendle Borough Council to discuss the matter further. After a conversation with Councillor Whipp yesterday the impression the Clerk received was that the meeting will centre around the amount of the Parish Councils reserves.
- 4. Booth's Proposed Planning Application:** The Clerk has been contacted by a Mr. Pinkus regarding a new Booth's planning application. Mr. Pinkus asked if it would be possible to use the Council offices to meet the Parish Council and other local groups show and discuss the new application prior to submission.
