

Report of the Clerk

- 1. Rushton Street Car Park:** Plans have been submitted by the LEC at the request of Barrowford County Primary regarding the provision of a MUGA on the existing Rushton Street Car Park. The Council has not received the plans yet but the Clerk contacted the County Councils Planning Department prior to Christmas who informed the Clerk that plans had been submitted that week. The Plans are expected in the next week with planning comments being expected before the end of the month. The Clerk has heard unofficially that the facility will not be open for public use and will be for the sole use of the school.
