

## Report of the Clerk

- 1. Ladies Chain:** The recent refurbishment of the Chairman's Chain had left the Ladies Chain looking shabby so whilst collecting the Chairman's Chain the Clerk asked for a cost for refurbishing the Ladies Chain. The jeweller estimated the cost would be around £500.00 and that if a quick decision was made he could have the chain re-gilded in time for the Mayors Charity Ball. The Clerk contacted the Chairman and Vice Chairman and after approval ordered the work to be carried out the cost can be found from the current budget.
