

Agenda Item 12

Winter Planting 2009-10

After a conversation with Brian Sutcliffe at the Parks it is now time to notify Pendle Parks Department of our plant requirement for the winter planting. The plants usually arrive in October allowing the work to be carried out in time for the Christmas decorations. This is a list of the Parish Councils requirement for this winter and is for information.

Plants Required

There are four types of planter in use the requirement for each type is shown separately:
