

Report of the Clerk

- 1. Winter Plants:** The plants should be arriving this week.
- 2. Extension of Planters along Gisburn Road:** The Council was granted a licence to extend the planter scheme along the river wall from the bottom of Halstead Lane to the waterfall. The Council has 5 new planters in stock and in light of the imminent arrival of the plants for the winter planting does the Council wish to proceed with the installation and planting this autumn?
- 3. Advanced Driving Scheme:** Pendle Safety Community Partnership has awarded a grant of £1200.00 towards this scheme.
- 4. Litter Bins:** At the request of Cllr. Pope the Clerk has asked Brian Thompson at Operational Services for a list of all bins and dog bins within Barrowford. The small budget for 2008-09 for new bins has been spent fulfilling requests from the area committees.
- 5. Parish Magazine:** Still need some routes delivering.
