

Report of the Clerk

- 1. Mayors Charity Ball:** Tickets have to be ordered before the next full Council meeting and the Clerk needs to know how many tickets are required? The ball will take place on Friday 6th March 2009 at the Colne Munciple Hall.
- 2. Council Web Site:** The web site is now online and still under construction. The Clerk is currently concentrating on the Business Section.
- 3. MUGA at Bullholme:** The Chairman and the Clerk have held a meeting with Debbie Taylor from the Parks and the Council is placing an order commissioning the MUGA to be built. The MUGA will not need to go through the Pendle Borough Council tendering process. Hopefully this should speed the procurement process up with the hopes that the MUGA can be built and operating by the end of spring/early summer 2009.
