FAO Mr Iain Lord, Clerk to the Council

Dear Mr Lord

Once again the Royal British Legion, Nelson & District Branch are holding a Veterans/British Armed Forces Day Event at the Pendle Heritage Centre in Barrowford on the 26<sup>th</sup> June 2010.

We have already got more activities for families than last year, our 3 Cadet Units will be in full support with our RAF Cadets bringing a 'flight simulator' along so fun throughout the day is our theme. Hopefully we have also got one or two bands who will be providing entertainment during the day and, of course, The Drumhead Service ends the day with The Rev J Hallows officiating.

We will be sending out leaflets to all shops in Barrowford and, if at all possible putting posters on the lamp posts along the main road (not entirely sure on the legality of this though); there will also be write ups in the local press and on 2BR so we expect as good a turnout as last year.

I am writing to ask if you would kindly put a request for support of this Event to be held at Pendle Heritage Centre, Barrowford to the Councilors of Barrowford Parish Council again this year. We have always had their support and it is very much appreciated.

We estimate that the event will cost in the region of £2000.00 including advertising and printing costs. We also have some fund raising events and hope that you and the councilors will join us.

This event is one that we would like to hold annually at Barrowford and to know if we could have some form of financial support from the Parish Council annually would give us a boost.

Next year is the 90<sup>th</sup> Anniversary of the formation of the Royal British Legion and we hope to combine our 'Birthday' and Veterans/ British Armed Forces Day celebrations into one event, with the theme being 'Party in the Park' style.

Yours Sincerely

*G Adam*
