

Report of the Clerk

1. **MUGA Grant Application:** The Clerk was informed that there might be some capital funding available from Lancashire Drug & Alcohol Abuse fund. The Clerk has made a speculative bid as we may meet the criteria with the whole ethos of providing a range of varied facilities linked to the Youth Club being the lead aim.
2. **Council Web Site:** The Council need to consider setting up their own dedicated website to promote the activities of the Council and outcomes resulting from both the Parish Plan and other projects. Council Minutes, Agendas and Reports could be readily available to the public helping to fulfil the Councils obligations under the Freedom of Information Act.
3. **Projects 2008-09:**
 - **Extension of Planters Scheme:** The Council has a licence from County to extend the planters along the section of wall from opposite the Former Pendle Brook to the Waterfall some of this could be implemented in time for the winter planting.
 - **Walking Maps:** Cllr. Pope & the Clerk have met the Tourism Officer from Pendle to discuss the project.
